WHAT IS MAIN STREET LIVING?

Main Street Living is a televised worship service produced in conjunction with Lutheran Church - Missouri Synod (LCMS) churches and pastors. Local LCMS pastors attend recording days about every two months to record a liturgy and sermon. These services are then edited to include regional choirs and aired on local television stations. Six unique regional services are produced and aired each week.

HERE TO AID AND ASSIST CONGREGATIONAL MINISTRIES

Main Street Living is here to provide liturgical services for those who are unable to attend a local congregation.

We strive to be a ministry that aids and complements the work of pastors and their congregations, and encourage those who are able, to attend a local worship service.

EACH WEEK:

The mission of Main Street Living is to proclaim the Good News of Jesus Christ using television and other media. This hour-long broadcast consists of 2 parts:

MAIN STREET LIVING

A half-hour worship service led by local LCMS pastors.

THIS IS THE LIFE

A remastered episode of the Emmy award-winning Lutheran Hour Ministries program, originally aired from the 1950's to the 1980's.

COST:

The cost to record, produce, closed caption, and broadcast both "Main Street Living" and "This is the Life" episodes varies between markets, but averages \$1,100 per station, each week.

The main source of support comes from viewers and their families in the form of mail-in donations, online donations, and memorials which are tax-deductible.

MAIN STREET CHOIRS

Choirs are comprised of members from surrounding LCMS congregations. Choir recording sessions meet at area churches and record around a dozen hymns to be edited into future services. If you enjoy the program, please consider singing with a choir!
